Jim H stopped by about 5 minutes ago and said he just heard the same thing – that Anna is reviewing the decision documents (I'm not sure if that means the entire package or just the OA sections). Originally we heard that she wasn't going to be reviewing, but if she's decided to dive in, there's not much we can do to complete this until she's done.

Anna Wildeman is the Principal Deputy AA for water. If she wants to hold something up, there's not much I can do about it.

Chris: have you heard anything from Tom W. or John about this?

Hi, Tom. I hear that "Anna"? has the documents and its stuck with her. Can you or someone in OGC contact her to let this go? Thanks.
